**Call to Order:** John Watkins called the Meeting to order at 1:03 p.m. He introduced David and Mark from AND.

David reviewed a *List of Initial Findings* of their previous feasibility study of the library. He walked us thru a Conceptual drawing of the new library addition, as well as changes to the original structure.

A rough estimate of the cost to do all of these changes was in the \$550,000.00 - \$700,000.00 range.

The floor was always open for questions, which David addressed promptly and thoroughly.

The public meeting ended at 2:00 p.m.
